Softball Canada is pleased to announce that Fredericton, New Brunswick has been selected as the host city for the 2011 and 2012 Midget Boys Fastpitch Canadian Championships. The Fredericton Boys Fastpitch Association will be hosting the tournament.

The tournament showcases the very best young male softball players in Canada, and often includes former and future Junior Men's National team players.

“The Canadian Championships are an integral part of the development of our sport across Canada. It gives athletes, coaches and officials the opportunity to compete against the best in Canada and to compete at the next level” stated Softball Canada President Kevin Quinn.

Fredericton is a relatively new host for Softball Canada events, but with a rapidly growing volunteer base and a booming Learn to Play program, the sport has definitely shown signs of excellent development in the area. Softball Canada hopes to help build a legacy in the area for many years to come.

We wish the best of luck to the host committee, and look forward to seeing all of you at the ballpark!
